- You gain access to not only the current WorldMark South Pacific Club by Wyndham internationally, but also **all future resorts** that are transferred into or made available in the Club network**.

2.11 How do I book Bonus Time? (Premier Owners Only)

At any time during the year (subject to availability), Premier Owners can rent Bonus Time. Bonus Time is charged at AUD7.7¢ per Credit with a minimum of AUD\$77.00 per night for Australian Resorts and AUD8.05¢ per Credit with a minimum of AUD\$80.50 per night for Fijian and New Zealand Resorts. This includes housekeeping fees. Bonus Time is perfect for shorter holidays, and frees up Vacation Credits for longer stays. Conditions of use are established by the Guidelines and Regulations, which currently provide for the following conditions:

1. The Bonus Time fee applies and must be paid at the time of making your reservation.
2. Bonus Time may be reserved up to 14 days before the first day of the reservation period. Bonus Time reservations for Exotic Resort accommodation may be made up to 30 days before the first day of the reservation period.
3. Where an Owner makes a Bonus Time reservation for a Guest's use, and the Owner will not be in attendance for any days of the period, then the reservation can only be made within five days of the first day of the reserved period.
4. Bonus Time reservations are limited to a maximum of 4 nights per stay, or 7 nights in an Exotic Resort, but may be used in conjunction with Vacation Credits to increase the period of stay (so long as the combined reservation meets the requirements for a Bonus Time reservation). Where Bonus Time is used as a stand alone reservation, a minimum stay of 2 nights is required.
5. You may hold only one Bonus Time reservation at a time until it is used.
6. An Owner with 6,000 to 19,000 Vacation Credits may only use Bonus Time for one Weekend Only Reservation each Calendar Quarter. An Owner with 20,000 to 29,000 Vacation Credits may use Bonus Time for two Weekend Only Reservations each Calendar Quarter. Bonus Time may be used for one Weekend Only Reservation for each additional full block of 10,000 Vacation Credits per Calendar Quarter held by an Owner.

7. If you cancel a Bonus Time reservation less than 48 hours in advance, you will still be charged the Bonus Time Fee for the day(s) reserved unless another Owner uses them.
8. An Owner may rent out Bonus Time usage only for the amount the Owner pays for the Bonus Time.
9. The Constitution provides that all Bonus Time revenue belongs to the Club, but that WVRSP has the right to increase the amount of the Bonus Time Fee, provided that it does not:
 - (a) Exceed an amount equal to 10% of the current purchase price of Premier Owner Vacation Credits as stated in Section 4.2 of the PDS, and
 - (b) Increase by more than the greater of 10% or the CPI in any one calendar year.
10. Since all **Premier Owners** have the right to reserve Bonus Time during the last 14 days, or 30 days for Exotic Resorts, prior to usage, reservations for Vacation Credit usage during that time will be much more difficult to obtain than before that time. **Premier Owners** are encouraged to take advantage of the advance-booking period of up to 13 months to use their Vacation Credits.
11. The Bonus Time Fee for use in an Australian Resort is calculated as follows:

Bonus Time rate per Vacation Credit AUD(7.7¢) x Daily Vacation Credit Value of Resort Apartment.

The examples below show how you can calculate Bonus Time Fees.

Example 1

If an Owner wants to make a Bonus Time reservation to stay in a one-bedroom Resort Apartment at WorldMark Resort Pokolbin Hill on a Monday night during low season (blue), then the Bonus Time calculation will be:

AUD7.7¢ per Vacation Credit (Bonus Time rate) x 450 Vacation Credits.

Daily Vacation Credit Value = AUD\$34.65 Bonus Time Fee payable, which would get rounded up to the minimum of AUD\$77.00.

Apartment	Season	Mon-Thurs	Fri-Sat	Sun	Total
Studio (Sleeps 2)	Red (high)	850	1,250	1,100	7,000

Daily Vacation Credit Value = AUD\$119.00 Bonus Time Fee payable.

2.13 How do I book Fun Time? (Premier Owners Only)

At any time during the year, WorldMark South Pacific Premier Owners can access Fun Time through the purchase of One-Time Credits from the Developer, subject to the pre-payment of a fee of AUD6.0¢ per Credit for Australian Resorts and AUD6.9¢ per Credit for Fijian and New Zealand Resorts or an amount as determined by the Developer from time to time. Fun Time entitles a Premier Owner to reserve WorldMark South Pacific Club Apartments and Associate Resorts from 0 to 14 days prior to arrival.

Adjoining reservations can be made for more than one resort, provided that the Fun Time portions of these reservations are not for more than the allowed maximum of 3 consecutive nights.

Since you're using cash to stay at the resort, you can save more of your Vacation Credits for other holiday options. Conditions of use are established by the Developer and may change from time to time. The following conditions currently apply:

1. WorldMark Premier Owners can purchase One-Time Credits to use on a once only basis within WorldMark South Pacific Club's One-Time Credit Guidelines.
2. If you have a free housekeeping token in your account when you make a Fun Time reservation, you can use that token for the housekeeping fee. If you do not, the housekeeping fee prescribed for a similar size WorldMark South Pacific Club Apartment will apply.
3. Fun Time is subject to availability and the length of a Fun Time reservation is subject to the restrictions in Section 2.9 of this PDS.
4. Except as stated in this PDS, there is no limit to the number of Fun Time reservations.
5. Premier Owners can only make one Weekend Only Fun Time reservation per Calendar Quarter.
6. Fun Time reservations may be cancelled, if the cancellation request is received via email, written or telephone notice, more than 10 days before the check-in date.
7. If you cancel a Fun Time reservation less than 10 days prior to the check-in date, you will be charged the Fun Time reservation fee for the days reserved.
8. After check-in, there is no refund of Fun Time reservation fees in the event of an early checkout.

PLEASE NOTE: Access to Fun Time by Premier Owners is at the sole discretion of the Developer. Fun Time is a Developer benefit. Your decision to purchase should be based solely upon the benefits to be gained from ownership and use of your holiday interests and membership in the Club and not upon your access to Fun Time.

4.2 What is the initial purchase price of Vacation Credits?

The current initial price of Standard and Premier Owner Vacation Credits is AUD\$2.816 per Vacation Credit.

The current minimum amount of Standard Owner Vacation Credits you can acquire is 12,000 which will cost AUD\$30,507.00³ inclusive of the AUD\$99.00 establishment fee. The current minimum amount of Premier Owner Vacation Credits you can acquire is 6,000 which will cost AUD\$16,995.00 inclusive of the AUD\$99.00 establishment fee. You must maintain minimum number of Vacation Credits to remain an Owner of WorldMark South Pacific Club. WVRSP reserves the right to reduce the minimum amount of Vacation Credits required subject to amending the Constitution.

³ The applicable discount to a purchase of 12,000 Standard or Premier Owner Vacation Credits is detailed in the table section 4.3 (the current applicable discount is 10%).

4.3 Can the initial purchase price of Vacation Credits change?

The price per Vacation Credit may be increased by WVRSP by amending the PDS or issuing a supplementary PDS.

Discounts on the purchase price of Vacation Credits will be offered to purchasers as indicated in the table below:

Credits purchased	Discount in % terms	AUD\$ price per Vacation Credit after discount
1 to 9,999	Nil	AUD\$2.816 per Vacation Credit
10,000 to 17,999	10%	AUD\$2.534 per Vacation Credit (that is, AUD\$25,439.00 for 10,000 Inclusive of the AUD\$99.00 Establishment Fee)

As the entity entitled to the proceeds of issue of Owner Vacation Credits under the Constitution, the Developer at its sole discretion may request WVRSP (and WVRSP shall if requested by the Developer) to offer discounts to Owners who acquire additional Vacation Credits and to staff of the Developer or its subsidiaries or related entities. In respect of the latter, staff may acquire no more than 3% of the total issued Owner Vacation Credits. Any discounts offered shall be expended from the Developer's entitlement to the proceeds of such issues.

4.4 Management costs

The Responsible Entity is entitled to an annual management fee of up to a maximum of 15% of actual consolidated expenditures of the Club. For the financial year ending 31 December 2011, the Responsible Entity expects that the management fee will be AUD\$2.89M (GST excl.) 7.59% of total expenses.

This fee is paid to the Responsible Entity for acting as Responsible Entity of the Club. The management fee is paid monthly in arrears from Club assets within 30 days of the end of each month.

Management fees are not negotiable.

4.5 Club Budget

WVRSP determines the annual operating budget to provide for Club operating expenses, resort expenses and capital reserves for each year. This budget is used to determine the amount of the annual levies.

4.6 Annual Levies

To ensure a viable and long-lasting holiday program for the benefit of Owners, it is necessary that annual levies (referred to in the "Management costs" row of the fee table on Section 4.0) take into account the actual expenses of the Club including the upkeep, maintenance and repair of the Resort Apartments in the Club. Each Owner of Vacation Credits (including WVRAP as Developer) is obliged to pay annual levies. The number of Vacation Credits that you own determines the amount of the annual levies you pay. Owners of higher amounts of Vacation Credits will pay higher levies because of the greater amount of resort usage that they will be afforded. The amount of the annual levies you pay cannot be negotiated.

There is also a reserve fund that WVRSP maintains for Resort Apartment refurbishment, replacement and major repair to items within the resorts. Annual levies are used to top up the reserve fund from time to time. This ensures you are always greeted with the quality you expect when you visit a resort.

Annual levies include fees charged by the Custodian in return for the provision of custodian services.

The current annual levies are as follows:

Vacation Credits	Annual Levies
6,000 - 7,500	AUD\$484.47
7,501 - 10,000	AUD\$596.23
10,001 - 12,500	AUD\$707.99
12,501 - 15,000	AUD\$819.75
15,001 - 17,500	AUD\$931.51
17,501 - 20,000	AUD\$1043.27

Owners are required to pay annual levies from the date on which the Club first registers their Ownership, pro-rated in their first year for their period of membership in that year. The Club will issue a tax invoice to the new Owner shortly after registration and the first levy payment will be due for payment 30 days following the registration of Ownership.

In each calendar year, other than the calendar year in which an Owner is first registered, the due date for the payment of annual levies shall be 1 January. Any annual levy not paid by the due date shall be subject to the following fees, all of which are subject to change from time to time by WVRSP, to reflect the costs associated with these activities:

- A late charge determined by WVRSP in order to compensate the Club for the added cost of collection. This late charge is currently AUD\$15.00 per reminder notice sent for Premier and Standard Owners.
- Interest at the rate determined by WVRSP from the due date until the date the levy is actually received. This simple interest rate is currently 15% per annum. So if you owe AUD\$500.00, for every day you are late in paying your annual levy, you may be charged AUD\$0.21 interest.
- A return cheque charge, which is currently AUD\$25.00 (including return direct debits).

However, an Owner may elect to pay the annual levy quarterly, monthly or half-yearly, in advance. Also, for the convenience of Owners, and to reduce the Club's administrative expenses, the Club may offer Owners the option of paying levies by direct debit or pre-authorised credit card debit.

An Owner cannot exercise any rights or privileges of Ownership until any outstanding annual levies are paid. Further, the Constitution stipulates that an Owner may face forfeiture of Vacation Credits if they have not paid levies in relation to those Vacation Credits within one month of a notice from WVRSP advising that Owner that payment of levies has been outstanding for 30 days.

4.7 Method for Determining Annual Levies

WVRSP determines Owner's annual levies based on the following formula:

AUD\$X for the first 6,000 - 7,500 Vacation Credits, plus

AUD\$(X *23.07%), for each increment of 2,500 Vacation Credits or portion thereof owned and if not a whole dollar amount, then rounded to the next highest dollar amount.

For the 12 months to 31 December 2011 WVRSP has determined that X is AUD\$484.47

Each Owner shall contribute to the funds of the Club during each year in respect of the number of Vacation Credits of which that Owner is registered, their proportion of the annual outgoings being determined in accordance with the above formula.

The Constitution limits increases in annual levies by WVRSP to no more than the higher of the following two amounts above the annual levy for the immediately preceding calendar year:

1. 5%; or
2. The percentage increases in the All Groups Consumer Price Index Australia for the 12 month period ending on 30 September prior to the year to which the levies relate, excluding any increases in taxation, GST and/or extraordinary insurance costs levied in respect of Club assets.

Again, the amount of the annual levies you pay cannot be negotiated.

4.10 Additional Services

Owners may incur charges for additional services as follows:

- Facility Use:** Additional equipment may be available at some resorts and usage fees may be applicable. In addition, stays at some international resorts may incur occupancy taxes, fees or charges imposed by the local councils, and they range from US\$1.00 to US\$15.00 per night depending on unit size and location.
- Fijian Hotel Turnover Tax:** The Fijian Government has implemented a Hotel Turnover Tax (HTT) applicable to all stays in Fiji and required to be paid upon checkout. HTT is calculated based on the length of stay at the Fijian Resort and applies to the table below. Please note that HTT is subject to change.

Type	Fiji Dollars			Weekly Total
	Mon-Thu	Fri-Sat	Sun	
One-Bedroom	\$4.82	\$6.94	\$5.40	\$38.57
Two-Bedroom	\$5.79	\$8.10	\$6.94	\$46.28
Three-Bedroom	\$6.75	\$9.45	\$8.10	\$54.00

3. Housekeeping Fees: The Club performs a housekeeping service at the end of each stay, and a mid-stay housekeeping clean is conducted if a continuous stay in one Apartment exceeds seven nights. Additional housekeeping services are available at your request and expense. A seven night minimum stay that has been split between resorts will result in additional housekeeping fees at subsequent resorts. You are entitled to one housekeeping service annually for up to and including 10,000 Vacation Credits. The free housekeeping service will occur at the end of the first continuous Vacation Credit stay in the same Apartment at one resort. For each additional 10,000 Vacation Credits you own, you will receive one additional free housekeeping service. If you do not use any of your credits in a particular year, then the free housekeeping is carried forward to the next year and expires after that year.

4.13 Example of annual fees and costs

This table gives an example of how the fees and costs for the Club can affect you over a 1 year period. You should use this table to compare this product with other managed investment products.

EXAMPLE		Balance of 20,000 Vacation Credits with a purchase of 6,000 Vacation Credits at the beginning of the year
Contribution fees ⁴	Nil	For every additional 6,000 Vacation Credits you buy, you will be charged: AUD\$0
PLUS Management Costs ⁵	\$1043.27 pa by way of annual levies	And , for every 20,000 Vacation Credits you have in the Club you will be charged: AUD\$1043.27 pa by way of annual levies <i>plus</i> AUD\$0 pa in special levies. ⁶
EQUALS Cost of Club		If you had 20,000 Vacation Credits, including a purchase of 6,000 Vacation Credits at the beginning of the year, you would be charged fees of: AUD\$1043.27⁷ Fees are not negotiable.

⁴ Remember, contribution fees are different from the initial purchase price of Vacation Credits. Please refer to Section 4.2 "What's the initial purchase price of Vacation Credits?" for more information on the current purchase price of Standard and Premier Owner Vacation Credits.

⁵ Annual Levies include Management costs payable to the Responsible Entity as described in Sections 4.4 and 4.6.

⁶ Please note, we are entitled to charge special levies as and when we deem necessary. However, since the formation of the Club, no special levies have been introduced - testament to WVRSP's ability to expertly manage its operations.

⁷ This example assumes that your Vacation Credits balance remains constant at 20,000 throughout the year (i.e. no further contributions are made). The example does not include the effect of any special levies (which we expect to be nil) or additional service charges you may incur such as facility use, Fijian Hotel Turnover Tax and housekeeping fees. Please refer to section 4.10 "Additional Services" for more information on such additional services and fees.
