WELCOME

Welcome to your 2019/2020 Resort Directory.

It is hard to believe we are actually approaching 2020. We have certainly come a long way from the WorldMark South Pacific Club's humble beginnings when it was established in 2000 with its first Club resort in Fiji. Today we are a powerhouse of close to 60,000 Owners and 32 Club resorts across six countries and, with every day that passes, your Wyndham Vacation Clubs Asia Pacific team strives to continually enhance and diversify your Club experiences.

The Club's property refurbishment cycle for 2018 has almost concluded. This year, we finished a total makeover of your WorldMark South Pacific Club apartments at Seven Mile Beach, Lakes Entrance, Northpoint Port Macquarie and Port Stephens. We also completed a project to enhance the rooftop at Kirra Beach and it's pleasing to see Owners are enjoying the new space. Work has also already begun on some common spaces in Fiji and Port Douglas. Thanks to all of you who have provided us with such positive comments about the refurbishment team's achievements.

We continue to receive excellent feedback from you via the post resort stay surveys. I am very grateful to you all for your support in providing comments and can assure you that this feedback is read daily. All comments are taken on board and your feedback goes a long way in helping us continue to deliver the best possible experiences to you.

The Club's Facebook and Instagram followings have also been growing steadily. It is rewarding to see the fun you are having on your Club holidays via your posts. Thanks to all of you who not only follow our sites but also take the time to post comments and photos of your travel experiences along with the hashtag #wyndhamholidays.

The WorldMark South Pacific Club Facebook page now has over 26,000 followers and has become a highly frequented 'go to' place for Owners to find information in real time. Meanwhile, our Owner Education Facebook group has also become a wonderful online community with more than 7,000 Owners and service staff continually sharing their knowledge and tips. If you have not already, I encourage you to follow the page and become a member of the group.

Our online Owner Education sessions are always well-attended. I recommend you keep an eye out for new sessions and continue logging into the Knowledge Hub as the Club is evolving in leaps and bounds and there is often something new to learn that will help you get more from your Ownership.

As we grow, we are always looking at ways to keep Club costs down, which in turn helps keep your levy fees low - hence the production of a more cost efficient resort directory this year. As so much information can be readily found on your online platforms, rather than producing a weighty resort guide we have included only the essential pages in this resort directory.

Our Associate Resort program continues to add more scope to Club Ownership with locations in 11 destinations across Australia, New Zealand, Singapore, Thailand, Malaysia and Indonesia.

Your WorldMark South Pacific Club is constantly growing. It has been great to see the number and variety of new destinations being added, most recently on the islands of Hawaii and Kauai in the US state of Hawaii, while Wyndham Dreamland Resort Bali also offers stylish accommodation and a host of facilities in a great beachside location. We remain on the lookout for new properties to enhance your Ownership experience.

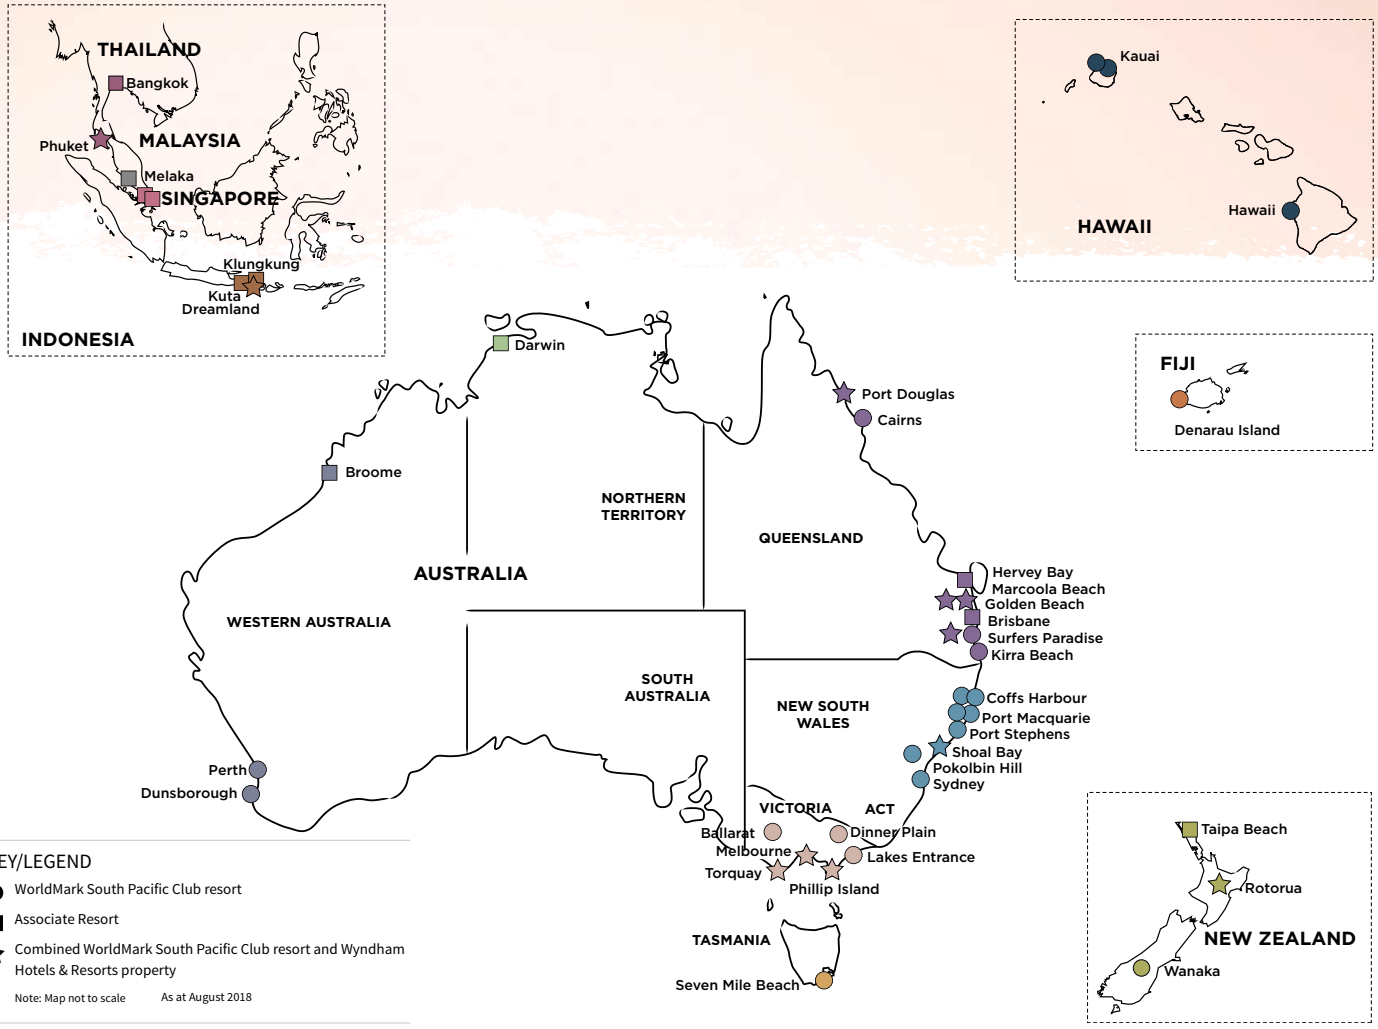

I hope you enjoy your 2019/2020 Resort Directory and that it inspires you to take some fantastic breaks. Our teams look forward to warmly welcoming you on your next Club escape.

Happy Holidays
