GENERAL INFO

DAILY TOURING

These tours are designed for those who wish to see the iconic sites and magnificent treasures of Hainan on a private tour. You will be accompanied by our dedicated local guides, whose unparalleled knowledge will turn your holiday into an unforgettable experience.

TRANSPORT

Cars: cars with air conditioning are used on our tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in China have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just 1-2 kilometres as you may be used to. For this reason, the timings listed in the itinerary are approximations only. There may be sections of road where the surface is comparatively bumpy, but our drivers will do their utmost to lessen the impact.

Trains: Bullet trains are a great way to travel around China whether you're in second, first or business class. The rail times cannot be confirmed until 30 days prior to departure, however we can provide estimated departure times and duration. Please let your travel specialist know if you have preferred times to depart. A passport copy is required to confirm rail journeys.

PASSPORTS AND VISAS

Please ensure that all names provided are as they appear on your passport, as name changes or amendments may incur fees. It is your responsibility to ensure you have a valid passport and all visas required for your holiday.

Hainan Island is a special visa free zone. If traveling directly from Sydney and Melbourne into Hainan without transiting mainland China you will be able to travel without a visa as long as you register your passport details and other required details with Wendy Wu tours three weeks before you depart.

If traveling to other parts of China or transiting through mainland China visas are required by all visitors to China and not included in the tour cost. We cannot process the visa within 30 days prior to departure. Wendy Wu Tours provides a visa service for Australian passport holders only. Wendy Wu Tours' Visa Department can assist you with the process of obtaining a visa. We will supply you with all paperwork and submit the visa application on your behalf. Visas for China are valid for 90 days from the date of issue and allow you to stay in the country for up to 30 days. Please be advised that your passport must have at least six months validity left on it when you arrive back into Australia. Visa application forms and all relevant documentation are due in our office 75 days prior to departure. Passports will be returned with your final documentation 2-3 weeks prior to your tour's scheduled departure with Wendy Wu Tours. If you require your passport to be returned earlier, a \$15AUD courier fee will apply. Please visit our website for most up-to-date visa requirements <https://www.wendywutours.com.au/before-you-go/passports-visas-travel-health/>.

INSURANCE

We strongly encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the originals.

GRATUITIES

Tipping while on holiday is common in most parts of the world and China is no exception. We will recommend an appropriate tipping amount in your final documents.

ACCOMMODATION

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Please note that there is no international classification system for hotels and differences in facilities and quality do exist between the Australia and China. All our tour hotels have private western bathroom facilities, air conditioning, TV and telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your Local Guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

Four and five star hotels are also available on private tours.

DIETARY REQUIREMENTS

Chinese cuisine is one of the most influential, diverse and flavoursome culinary styles in the world with a legacy stretching back thousands of years. Often you'll find that the local Chinese style is very different from what you're used to at home. We welcome people on our tours with a wide variety of tastes and as such try to present an array of food to suit everyone. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours as well as the different ways they are prepared and cooked throughout China.

Please read your travel guide which you will receive with your final documents for more information about eating in China. We recommend that when it comes to Chinese food, you stay open minded, try to be adventurous and always have a go with the chopsticks!

We will endeavour to fulfil all special dietary requirements; however, Wendy Wu Tours is not able to fully guarantee this and does not accept any liability for consequences arising from special dietary requirements not being met. Please ensure to let us know of any special dietary requirements at time of booking.

CLIMATE

Please refer to our website for detailed temperature charts.

CURRENCY

The currency of China is the Renminbi, abbreviated to RMB and represented with a '¥'. We recommend that you have access to more than one source of money - bringing a combination of cash and a credit/debit card will give the most security and flexibility while travelling.

MEDICAL CONDITIONS

Your health and safety are paramount to Wendy Wu Tours. Please advise your Wendy Wu Tours consultant or travel agent of any medical issues such as low mobility, wheelchair use of any kind or hearing or vision impairment at time of quotation to ensure we can provide a suitable and enjoyable tour for you.

DEVELOPMENT IN CHINA

Though parts of China match the west in modernity and technological advances, it is important to remember that China is still a developing country and as such, many aspects of tourism in China do not have the solid infrastructure and safety standards as seen here in the west.

CHINA PUBLIC HOLIDAYS

If you are travelling within the below Chinese Public Holidays please note that celebrations last for several days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open, but may be crowded. Chinese New Year is on 25th January 2020 and 12th February 2021. Golden Week public holidays fall annually between 1st – 3rd May and 1st – 7th October

SOUVENIRS

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest.
